

SUPER ADMIN (FULL CONTROL)

CORE RESPONSIBILITY

Overall control ng buong system
System-wide monitoring ng lahat ng modules
Security at data integrity management

FUNCTIONS

1. System Management
Manage users (Vice President, Treasurer, Secretary, Compliance Officer, Drivers)
Role & permission control
System configuration settings
2. System Monitoring (GLOBAL ONLY)
Monitor overall system activity (NOT financial details)
Monitor user actions across all modules
Track system performance
3. Reports
Generate system wide reports (users, violations, payments summary)
4. Security
Manage access control
Maintain audit integrity
Ensure system logs are active and protected

VICE PRESIDENT (DECISION & APPROVAL)

CORE RESPONSIBILITY

Final decision maker for violations and member approval

FUNCTIONS

1. Approve / Reject violation reports (with evidence review)
2. Approve / Reject new members
3. Resolve disputes between members and reports

COMPLIANCE OFFICER (DATA VALIDATION & AUDIT ONLY)

CORE RESPONSIBILITY

Ensure accuracy and validity of system data

FUNCTIONS

1. Validate violation reports (check completeness and evidence)
2. Audit system records (members, violations, payments)
3. Detect suspicious or inconsistent data
4. Generate audit reports

LIMITATIONS

1. Cannot approve violations
2. Cannot approve payments
3. Cannot modify official records

SECRETARY (DATA ENCODING)

CORE RESPONSIBILITY

Encoding and documentation of records

FUNCTIONS

1. Add and update member records
2. Encode violation reports with evidence
3. Upload documents and files
4. Maintain system records

TREASURER (FINANCIAL MANAGEMENT)

CORE RESPONSIBILITY

Handle all financial records and transactions

FUNCTIONS

1. Encode and manage all payments
2. Track income (daily/monthly)
3. Generate financial reports
4. Monitor unpaid accounts

LIMITATIONS

Cannot approve violations

Cannot modify payment history after confirmation

DRIVER (END USER)

CORE RESPONSIBILITY

End user of the system

FUNCTIONS

1. View profile information
2. View violations
3. View payment records
4. Receive notifications

Records Management

TREASURER DASHBOARD (FINANCIAL ONLY)

PAYMENT MANAGEMENT

- Record Payment
- Verify Payment Proof
- Payment List

FINANCIAL REPORTS

- Income Summary
- Unpaid Accounts
- Monthly Reports

COLLECTIONS

- Activity Fees
- Penalties
- Member Dues

DRIVER DASHBOARD (USER ONLY)

PROFILE

- View Profile
- Update Info (limited)

VIOLATIONS

- View My Violations
- Violation Status

PAYMENTS

- View Payment Records
- Outstanding Balance
- Payment History

NOTIFICATIONS

- Alerts
- Announcement
- Payment Due
- Violation Notices

PAANO GAGALAW ANG PAYMENT

1. PAYMENT CREATION (SYSTEM)

ANO ANG NAGGE-GENERATE NG BAYAD?

- Approved Violations and Penalty Fee
- Monthly Dues and Membership Fee
- Activities and Activity Fee (meetings, seminars, etc.)

RESULT:

System creates billing record per driver

2. NOTIFICATION (SYSTEM AUTOMATIC)

SYSTEM ACTION:

Sends notification to driver

NILALAMAN:

Amount due
Reason (violation / dues / activity)
Due date
Reference number

3. PAYMENT SUBMISSION (DRIVER)

GAGAWIN NG DRIVER:
Magbabayad ng dues

METHODS (SIMULATION ONLY):
Cash (recorded by Treasurer)
Upload proof (GCash/Maya/bank screenshot simulation)

RESULT:
Status = PENDING VERIFICATION

4. PAYMENT VERIFICATION (TREASURER ONLY)

GAGAWIN NG TREASURER:
Check payment proof
Match sa billing record
Confirm amount

RESULT:
Mark as PAID
Reject INVALID PAYMENT

5. AUDIT (COMPLIANCE OFFICER)

GAGAWIN NG COMPLIANCE:
View all payments
Check irregularities
Flag suspicious transactions

LIMITATION:
Cannot approve payments
Cannot edit records

Role = AUDITOR ONLY

6. SYSTEM UPDATE (AUTOMATIC)

Kapag confirmed:
Status = PAID
Receipt/reference generated
Record saved in database
Audit log created

PAYMENT STATUS:
Pending
Paid

Rejected

FULL PAYMENT FLOW

System generates fee (violation / dues / activity)

Driver receives notification

Driver submits payment

Treasurer verifies payment

System updates status (Paid / Rejected)

Compliance audits records (read-only)

Audit log stored

Pano naman GAGALAW ANG REPORT

1. REPORT SUBMISSION (DRIVER)

GAGAWIN NG DRIVER:

Magre-report ng kapwa driver

REQUIRED DETAILS:

Reported driver (name / ID / plate no.)

Violation type

Description

Date & time

Location

Evidence (image/video)

RESULT:

Status = SUBMITTED

2. ENCODING & COMPLETENESS CHECK (SECRETARY)

GAGAWIN NG SECRETARY:

I-encode ang report sa system

I-check kung complete ang details

CHECK:

May evidence ba?

Kumpleto ba ang info?

Valid format ba?

RESULT:

Pag Complete and PENDING VALIDATION

Pag Incomplete ibabalik sa driver

3. VALIDATION (COMPLIANCE OFFICER)

GAGAWIN NG COMPLIANCE:

I-verify kung legit ang report

CHECK:

Valid ba ang violation?

Tugma ba ang evidence?

May duplicate ba sa iba pang driver na report?

May false accusation ba?

RESULT:

Pag Valid forward to Vice

Pag Invalid reject report

4. FINAL DECISION (VICE PRESIDENT)

GAGAWIN NG VICE:

Approve or reject report

RESULT:

Pag APPROVED official violation

Pag REJECTED dismissed

5. SYSTEM ACTION (AUTO)

Kung APPROVED:

Violation recorded

Penalty generated

Payment created

Driver notified

6. NOTIFICATIONS (SYSTEM)

REPORTER DRIVER:

Report submitted

Report approved/rejected

REPORTED DRIVER:

Violation notice

Penalty details

REPORT STATUS:

Submitted

Pending Validation

For Approval

Approved

Rejected

FULL REPORT FLOW

Driver submits report

Secretary encodes & checks completeness

Compliance validates report

Vice President approves/rejects

If approved:

Violation recorded

Penalty generated

Payment created

System sends notifications

Audit log recorded

PAANO MAG ADD NG NEW MEMBER SECRETARY ONLY

PHASE 1: SECRETARY (DATA ENCODING)

Step-by-step:

1. Login ang Secretary

2. Punta sa Member Management

3. Click "Add Member"

Fill up Member Information:

Full Name

Address

Contact Number

License Number

Plate Number

Upload Documents (optional/required):

ID

License

OR/CR

Validation Check (SYSTEM)

System checks:

Complete ba lahat ng required fields?

Tama ba format? (e.g. contact number, license)

If may kulang:

Error → hindi mase-save

If complete:

Proceed

Submit Record

Secretary clicks Save / Submit

RESULT:

Status = PENDING APPROVAL

Hindi pa official member

PHASE 2: SYSTEM ACTION

1. System saves record sa database

2. System creates audit log

3. System notifies Vice President

PHASE 3: VICE PRESIDENT (APPROVAL)

Step-by-step:

Login ang VP
Punta sa Pending Members
Piliin ang bagong member

Review Details:

Personal info
Documents
Completeness

Decision:

APPROVE

Member becomes ACTIVE
Pwede na mag login / gamitin system

REJECT

Member is DECLINED
Hindi ma-aactivate

PHASE 4: SYSTEM FINAL ACTION

If APPROVED:

1. Status = ACTIVE MEMBER
2. Create member account
3. Send notification

If REJECTED:

1. Status = REJECTED
2. Notify Secretary

SIMPLE FLOW (MADALING VERSION)

Secretary → Encode Member

System → Save (Pending)

Vice President → Review

Approve / Reject

System → Activate / Decline
